Principal's Message

Reminders:

- Grade 5 Burger Night fundraiser on April 6th at The Rose pub to help fund their year end trip.
- Watch for a Sangster Cookbook with recipes shared by students, parents, and staff members and artwork from our students.
- Sangster Apparel, with our updated school logo is in the works!
- Please consider volunteering to help with the PAC Spring Fair coming up in May. It's always a great time and an important fundraiser for school resources!

Welcome Back!

I hope everyone had a wonderful Spring Break. March zipped by, but it sure was a busy first two weeks. Students had the opportunity to share their learning with their parents at the Learning Conferences evening and we had a great turn out of parents for our Emergency Reunification Drill.

As we move into April our students and coaches will be working hard to prepare for the Cross Country Running events at the end of the month.

Over the Spring Break I had time to reflect on how wonderful a community of educators, learners, and families we have at Sangster. What a special place for all of us!

Have a great month of April everyone!

A BIG Thank-You to:

- Parents for participating in our Emergency Reunification Drill.
- Our basketball teams, coaches, and shooting practice supervisors who all worked hard to develop player skills again this season.
- Mrs. Moore for organizing and supervising Swim Club.
- PAC for funding the Swim Club opportunity for our students.

Special Thanks to the Boys & Girls Club for providing Science at Noon Sessions for our school. Daniel Osborne, Team Lead of Leadership and Nature-Based Programs led four engaging sessions for students in grade three through five. The kids loved it!
