Reminders:

- Please drop off items for the Spring Fair Baskets to your child's classroom this week.
- Join us at the PAC Spring Fair on the evening of May 9th!
- Please do not park in front of the fire lane or the garbage/recycling bins.
- Track and Field practice has started in preparation for the district event on Friday, June 7th,
- Please check the lost and found. Many hoodies and jackets have been left behind at school as the weather warms up!

Principal's Message

The month of May already! Weather is warming up and the students are having a great time enjoying the sunshine at recess, lunch, and as classes begin using the field area more often. It's great to hear the sound of families hanging out after school, enjoying the playground and outdoor tables.

Cross country running season wrapped up in April and staff and students are preparing for the Track event coming up in early June. Many students are loving our indoor hockey league again and enjoying the competition!

We would like to welcome Ms. Natalie Boyd to our Sangster staff. Ms. Boyd will be teaching Mrs. Dickinson's class for the remaining two months of school. Mrs. Dickinson will return to Sangster in the Fall and plans to join us at some of our special events in May and June.

A BIG Thank-You to:

- Our Cross Country Coaches—Mrs. Henderson and Mrs. Lockerbie!
- The Cross-Country Volunteers that organize and help-out at the event: Ms. Van Dyk, Mrs. Moore, and Ms. Hanson
- Martin Day, Adam Campbell, and our PAC for upgrading our garden boxes!
- Ms. Van Dyk and Mrs. Arnott for organizing the indoor hockey league.

Sangster has an updated logo!

Thank-you to Mike Rider for his design work in refreshing our logo!

Stay tuned for our new Sangster Spirit Wear. PAC will be selling Spirit Wear at the Spring Fair!

April Art
