DONATE!

We are looking for donations of good to great condition used items or new items that don't bring you joy. As well as Scotch tape, Wrapping paper rolls and Gift Bags. Simply place the item in the blue wrapped box located at the front door of the school during school hours. Preferably in a plastic grocery bag, Which will also be reused to help the children carry items home as needed.

SHOP!

Teachers will bring the students to the store during their school day for shopping time. We simply ask that children select only gifts for those in their immediate family, to ensure there are enough gifts for all students to select from. All purchases are by donation, children will need to bring \$1-3. If you are unable to financially contribute, no worries, please reach out to your student's teacher. We will ensure all students are without barriers to participate in this event.

DETAILS

The giving store is non-denominational, all students will be welcomed. We are so thrilled and thankful to be bringing this event back to Sangster this year, and look forward to helping each student choose a lovely gift and hope it brings cheer to your home. All proceeds will be used by the Sangster PAC in their many initiatives for the children this school year.
